

FWIW

The leading newsletter covering the internet and politics.

Dan Pfeiffer @DanPfeiffer:

"...an essential read to understand what is happening in the digital space."

Alex Thompson @AlexThomp:

"If you aren't subscribing to FWIW, you are doing it wrong."

Ron Klain @RonaldKlain:

"If you want to understand what's going on in digital politics, subscribe..."

Lachlan Markay @Lachlan:

"...a consistent must-read...One of just a few Substacks I consider essential reading."

Driving narratives:

- FWIW is frequently cited in major national publications, dozens of times each year
- FWIW breaks important political digital news before many national outlets
- FWIW is the longest running source of data on digital political ad spending, active since 2018

AXIOS

The New York Times

DAILY BEAST

POLITICO

The Washington Post

By the numbers:
